We have continued to grow through our unstinting efforts to confront the challenges posed by the evolution of Viet Nam's industrial structure and to establish a variety of approaches toward meeting the diverse needs of our clients.

After having been a member of the Transworld Logistics group for some good twelve years now, in which we have also successfully started sales and promotions of the nation and worldwide, it's now time to change the corporate name to confirm our position as a leader of the Logistic Industry in Viet Nam.

Both our company name have always been a joint statement for customer-driven innovations, product and service quality.
